

**Ecologist**

**Environmental  
Scientist**

**Conservationist**

**Sustainability**

**Professional Development Seminar  
by Dr. Jennifer Schweitzer  
EEB 493-020 CRN 32085  
Tuesdays 2:10 pm - 3:25 pm**

**Educator**

Learn more about what you can do with a background in Ecology & Evolutionary Biology (EEB) and how to be successful in this concentration. By the end of this weekly seminar students will develop a better understanding of EEB career options, will have a a toolbox of strategies to be successful in EEB and will have advanced their professional development skills.

Topics will include:

- discussions of career options
- why and how to get involved in a lab as an undergraduate researcher
- career planning tools
- how to apply to graduate school
- science resumes
- science communication
- and many more specific professional development topics
